

EJU JUDOGI RULES

EYOF GYÖR 2017 (Version February 2017)

1. Basic Principles

In general, the current **IJF Judogi Rules** (see *IJF Sport and Organization Rules/SOR*, Sec. 8 and Appendix C) are fully valid and applied. On the draw sheet the athlete on top wears a **white Judogi** and the one below wears a **blue Judogi**.

2. IJF Approved Judogi

In all EJU events all Judoka must compete in **IJF Approved Judogi** and Judogis from all IJF suppliers are allowed (see www.ijf.org → Official Supplier List).

The Judogi must have the official IJF label “APPROVED JUDOGEI” with the correct optical code. The label will be controlled with an optical lamp. Each of the competition clothing articles (jacket, trousers and belt) must have the official IJF label. The jacket and the trousers must be of the same brand (belt can be of a different brand).

Exception: As not all Suppliers can provide coloured belts (blue, brown) with the official label, only a black belt has to have the official IJF label “APPROVED JUDOGEI”.

Attention: NEW IJF LABEL

Only Judogis with the **red** IJF label are allowed. **Exception:** Both belts with **blue** or **red** label can be used (fabric regulations for belts did not change).

3. Size

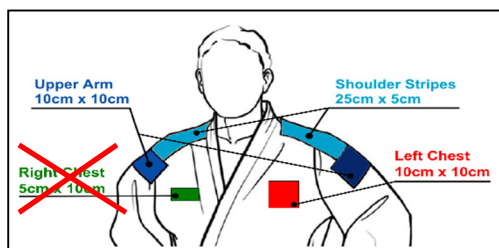

In all EJU events the Judogi will be checked prior to every fight with a **Sokuteiki** for compliance with the size requirements stated in the IJF Judogi Rules (IJF SOR, chap. C.8).

4. Markings and Advertising

In general, no form of publicity or propaganda, commercial or otherwise, may appear on the Judogi.

Manufacturer’s Identification: The Manufacturer’s identification/logo can only appear once on each piece! However, the following exceptions have been agreed:

- EJU Diamond Suppliers **IPPONSHOP (with brand Adidas) & GREENHILL** can have their logo on the **shoulder stripes** (on both right and left side with regular size of max 25cm x 5 cm).
- EJU Suppliers (Noris, HIKU, Danrho, DaeDo, KAPPA, Fighting Films, Mizuno, Matsuru) can have the manufacturer logo on **both upper arms** (right and left side, max size 10 x 10 cm).

The space on the **right chest** cannot be used at all. The space on the **left chest** (maximum size: 10cm x 10cm) can be used for the national colours, the national emblem or NOC emblem. All other markings on the Judogi, have to comply with the IJF Judogi Rules and the EOC Rules on Advertising, Demonstrations and Propaganda.

5. Backnumber

Each competitor taking part in the EJU events is obliged to have sewn on the back of his Judogi the official backnumber (both EJU and IJF are allowed) bearing his surname and his National Olympic Committee abbreviation. The backnumber can be ordered from www.mybacknumber.com or www.ijfbacknumber.com (Attention: production and delivery may take up to 4 weeks).

The space for the sponsor sticker must be empty and clean.

Important: Under no circumstances the name or the country code on the backnumber can be covered with tape or any other kind of sticker!

6. Reserve Judogis

Every Judoka is responsible for his/her Judogi. Reserve Judogis will **ONLY** be provided to an athlete in case of rupture, cut, stains from bleeding and similar reasons for which an athlete cannot continue fighting in his own Judogi.

Reserve Judogis will NOT be provided at control area in case of wrong or missing markings or in case of illegal size (Sokuteiki control).

7. Confirmation during accreditation

During accreditation the coach or the head of delegation has to confirm and sign a document attesting that:

- Judogi and belts of all athletes are of IJF approved brands (correct label) and trousers and jacket are of the same brand.
- Judogis of all athletes have the official backnumber without any sponsor sticker.
- Markings (manufacturer's logo, national emblem) on all Judogis fully comply with EJU EYOF Judogi Rules.
- Judogi and belts of all athletes fully comply with the IJF Sokuteiki criteria.
- The trousers and the jacket's color are identical and of a Pantone color according to the IJF Judogi rules.
- The athletes were informed that reserve Judogis **WILL NOT** be available at Judogi control in case of wrong or missing markings or in case of illegal size.

8. Consequences in case of Non-compliance

If an athlete does not comply with the Judogi Rules, the coach who is responsible for the athlete will be suspended for the rest of the competition day.

The athlete is allowed to present herself/himself in another IJF Approved Judogi, complying with the Sokuteiki rule and without backnumber - in this case no coach can go with this athlete to the mat!

In the case of a repeated offence during the event the coach will be suspended for the rest of the competition. All athletes not complying with Judogi Rules will be reported to EJU.
