Prof. Dr. Attilio Sacripanti - EJU Scientific Commission

CONFERENCE/SYMPOSIUM SECRETARY

Assist. Prof. Ivan Segedi - Faculty of Kinesiology, University of Zagreb, Croatia

Mrs. Carmen Calvo - Assistant to EJU Vice President Education

CONFERENCE/SYMPOSIUM GOALS

- ❖ To connect the science and research in Judo with Judo practice, i.e. to put the theories and research results directly in the function of development and the promotion of Judo
- ❖ To encourage collaboration and connection of all those who deal with and wish to engage in research in Judo and/or use the research results
- ❖ To establish a permanent network of researchers in Judo as well as those who use these results
- ❖ To educate coaches, competitors and other sport officials in Judo
- ❖ To highlight multidisciplinary aspects of Judo that can be studied not only from the standpoint of physical education and kinesiology, but also from the standpoint of anthropology, psychology, sociology, economics, management, history, education and otherscientific disciplines
- ❖ To continuously improve the quality and value of our sport

CONFERENCE/SYMPOSIUM PROGRAMME

- **First day programme:**
 - opening ceremony
 - plenary session - invited lectures (recognized judo experts with scientific and professional background)
- **Second day programme:**
 - podium presentations
 - practical research presentations (Dojo)
 - poster presentations
 - closing ceremony

❖ *Conference/Symposium Themes:*

- Analysis of Judo technique
- Tactical evaluation in Judo match
- Biomechanics in Judo
- Physical conditioning in Judo
- Coaching process in Judo
- Analysis of elite Judo athletes and teams
- Observational analysis of injury risk
- Performance analysis in younger age categories
- Technology and performance analysis systems
- Judo Ethics
- Every other Judo-related research

4th European Science of Judo Research Symposium & 3rd Scientific and Professional Conference on Judo: “APPLICABLE RESEARCH IN JUDO“

GENERAL INFORMATIONS

- ❖ Conference/Symposium is conceived as international meeting of Judo experts in all fields (scientific and professional)
- ❖ Any researcher involved in scientific studies of Judo may submit a proposed paper for consideration
- ❖ Invited lecturers will be recognized Judo experts with scientific and professional background
- ❖ All papers will be published in Conference/Symposium book of abstracts
- ❖ Official Language: English
- ❖ By submitting the research, participants will give EJU rights to publish their papers on the EJU website and in the book of abstracts
- ❖ Conference/Symposium will consist of presentation of theoretical researches (podium and poster presentations) and practical presentations of research (in dojo)

INSTRUCTIONS FOR AUTHORS

- ❖ Authors are responsible for the scientific and professional context and legal aspects of the articles. All authors guarantee that the article has not been published previously, or it is not under consideration for publication elsewhere, either in part or in whole, and if the article is accepted it will not be published elsewhere in the same form, in English or in any other language
