## WORDS OF WELCOME

The Ecco Judo Team Challenge Europe vs. Asia 2014 is an interesting initiative, involving two successful judo continents – Europe and Asia.

Considering the latest medal haul during the London Olympic Games and the Rio World Championships, the outstanding results and achievements of these two continents are incontestable.

With this challenge, a new type of competition and a new motivation is offered to the athletes and the judo public. I would like to thank the European judo Union for their initiative and also the Government of the Tyumen region, for hosting one more time an important judo event.
