13-14 September 2022

 @MariusVizer

Dear judo family,

We welcome you to Krakow in Poland for the 2022 edition of the World Championships for Kata.

We are proud to present this stage for our kata to be able to display skills ingrained during their many years of judo.

The city of Krakow was Poland's capital through the medieval years and this presents, to all visitors, a spectacular architectural backdrop and a culturally rich experience, fitting for our judo community to enjoy.

Following a successful edition in Portugal in 2021, now that the world is even more open again, we look forward to all our kata participants returning to the tatami.

We wish all participating athletes, visiting delegations and the wider judo family a healthy and successful tournament, filled with the greatest team spirit and an always exemplary show of respect and friendship.

Poland welcomes you!

Yours in judo,

**Mr Marius L. VIZER**  
**President**

## **IMPORTANT INFORMATION REGARDING THE COVID-19 PANDEMIC**

**ANYONE NOT FOLLOWING THE LOCAL GOVERNMENT AND IJF COVID-19 PROTOCOLS WILL BE REMOVED FROM THE EVENT AND SUBJECT TO DISCIPLINARY ACTION!**

With any COVID-related questions pre-event, please contact: [covid@ijf.org](mailto:covid@ijf.org)

The fundamental principle throughout all IJF events during the COVID-19 era is to Protect and Be Protected by respecting the recommendations of "IJF COVID-19 Protocol". All participants have the mutual responsibility to protect each other.

Recently the IJF made amendments to the IJF COVID-19 Protocol due to the participant vaccination/recovery levels reaching 85%, allowing us to have reduced measures at events. We will continue to monitor the global and host country situation and further amendments may be made.

It is the responsibility of each participant to follow the IJF COVID-19 Protocol and amendments that are in force at the time of the event which can be found here: [covid.ijf.org](https://www.ijf.org/covid)

These event outlines will be updated as follows:

- **1 August 2022 including proposed COVID protocol for the event in line with host country regulations**
- **28 August 2022 including FINAL COVID protocol for the event in line with host country regulations**

The COVID-19 vaccines provide protection to the vaccinated only against seriously falling ill, but not against getting infected or transmitting the virus to somebody else, even if the chances of the latter is very low.

Therefore, until vaccination reaches a high level among the judo family and there are other effective preventive methods available, or until it is globally accepted to conduct activities without safety measures, all the participants of any IJF event must follow the same protocol to protect and be protected, in the spirit of unity and solidarity which is in our community's moral code.

Further softening of the IJF COVID-19 Protocol is at 90% or higher vaccination level.

We strongly encourage all judo family members to get vaccinated or get their booster dose to contribute to the overall protection level of the IJF World Judo Tour events.

To maintain the required safety level at the IJF events, the following variants of vaccination are recognised as complete vaccination and the bearers as "fully vaccinated" within the validity period.

In case the validity expires during an event, the status is upheld until the last day of the event.

The IJF accepts all vaccination types, not only EMA or WHO approved products. Vaccination validity is subject to change according to WHO recommendations.

# Krakow World Championships Kata 2022, Poland

13-14 September 2022

Minors (under 18) are considered fully vaccinated after completing the first series of vaccination with no end of validity until further decision.

Please note that the host country vaccination criteria may differ from the IJF's, always check the local rules before travelling.

	Type of protection	Minimum time elapsed	Maximum time elapsed
<b>1st series of vaccination</b>	1 dose (Janssen, Sputnik Lite, or other)	Minimum 28 days from receiving the dose	Maximum 6 months from receiving the dose
	2 doses of any 2 dose vaccines	Minimum 14 days from the 2nd dose	Maximum 6 months from the 2nd dose
	Recovery from infection and 1 dose	Minimum 14 days from receiving the dose	Maximum 6 months from receiving the dose
	1 dose and recovery from infection	Minimum 11 days from the positive PCR	Maximum 6 months from the positive PCR
<b>Additional series of vaccination*</b>	Booster/revaccination dose(s)	From the day of vaccination	To be determined by the WHO, currently no end of validity
<b>Recovery</b>	Recovery from infection	Minimum 11 days from the positive PCR	Maximum 6 months from the positive PCR

\*Where the protection level is expressed by a fraction number, a quotient of the number of received doses/ number of required doses, all with the sum higher than 1, e.g., 2/1, 3/1, 3/2, etc. are also considered as having the booster dose.

## EVENT PARTICIPATION

Participants will have the opportunity to play the same role in the second kata or reverse roles or to do the second kata with a different partner.

## ACCREDITATION

The purpose of accreditation is to identify people and their roles at events and allow them necessary access to perform their roles.

Accreditation cards may be picked up from the accreditation room.

An accredited person should never wear another person's accreditation card. The accreditation card remains the property of the IJF and can be withdrawn, with immediate effect, at the IJF's sole discretion.

The accreditation card is valid for the duration of the competition and is the personal identity document of the participant for all security and access controls. This card contains: last (family) name, first (given) name, country, IJF ID number, media status (writer, photographer) and a picture.

Replacement of lost or forgotten accreditation will be charged at 50 US\$ to be paid to the IJF.

The times and place for check-in and accreditation can be found in the programme of these outlines.

# Krakow World Championships Kata 2022, Poland

13-14 September 2022

Number of accreditations for officials:

- One – three (1-3) pairs = five (5) officials.
- Four - fourteen (4-14) pairs = ten (10) officials.

## **DRAW**

The draw to establish the groups and the sort of each group will be done the day before the competition. The pairs medallists from the previous world championships will be considered seeded and will be divided into two groups if there are 10 pairs or more. The draw of the finals will be done in the sports hall after the preliminary rounds.

## **COMPETITION FORMULA**

Each kata will be divided into two (2) groups: the top three (3) pairs with the maximum points from each group (that is six pairs for each kata) will compete in the finals. Three (3) or four (4) mats will be used for the preliminary rounds and three mats for the final. If the number of pairs is less than ten (10), there will be only one (1) group: the top six (6) pairs from the group will compete in the final.

## **JUDGES AND THE SYSTEM OF JUDGING**

The contests will be judged by IJF qualified kata judges. The number of judges per national federation is limited to:

- Participating countries may enter four (4) judges.
- Non-participating countries may enter three (3) judges.

A judge cannot be an athlete.

The IJF “2022 Criteria for Kata Evaluation” will be used to judge the kata with reference also to the official Kodokan Kata textbooks.

Judges must attend the technical meeting the afternoon before the first day of competition to confirm participation as judge in these championships. Time and place are stated in the event outlines.

For each performance, the five judges will award points on the official IJF electronic scoring system. Three scores will be totalled to obtain the score of a technique (the maximum score and the minimum score will be cancelled for each technique). The final score of the whole kata will be the sum of the scores for each technique.

The evaluation of every technique of kata must consider the principle and the opportunity of execution: the evaluation (including the opening and closing ceremony) must be comprehensive. In the nage-no-kata, right and left techniques will be evaluated comprehensively (only one score).

#### Definition of mistakes:

- Forgotten technique/Major mistake - will score zero and in addition the total final score of the kata pair will be divided by 2. If more than one technique is forgotten the score for that technique will also be zero but the total final score for the pair will not be halved again.
- Big mistake - When the execution of the principle is incorrect (5 points are deducted, and the maximum number of crosses is 1).
- Medium mistake - When one or more elements of the principle are not applied in the correct way (3 points are deducted and the maximum number of crosses is 1).
- Small mistake - Imperfection in the application of the technique (1 point is deducted and the maximum number of crosses is 2).

The total score for each technique can be increased or decreased by 0,5 point adding in the column of the "correction value" a "+" or a "-".

The five judges will be positioned on the shomen side and they will sit at approximately 1.5 m apart. The rule of neutrality will be applied so the judge must be of a different nationality than the competing pair. The position of the five judges will be the same throughout the competition. If a judge is temporarily replaced, he will take place in the same original position when he returns to the competition. The judges must take up their position before the arrival of the pair in the competition area.

The pair enters and leaves the mat at the opposite side of shomen: the beginning and end of kata (opening and closing ceremony) is at an 8 m or 10 m distance apart depending on the dimension of the tatami (bow to the tatami). Any behaviour of tori or uke inside the competition area that is contrary to the spirit of kata will reduce the score of the kata.

In case of equal score between pairs, the following criteria will be applied considering the scoring of the five judges:

- Total value of big mistakes - the pair who makes fewer mistakes wins.
- If still equal, total value of medium mistakes will be considered - the pair who makes fewer mistakes wins.
- If still equal, total value of small mistakes will be considered – the pair who makes fewer mistakes wins.

The pair who has the better score will win.

If two pairs, both placing 3<sup>rd</sup> in the eliminations (or 6<sup>th</sup> place in case of only one (1) group) are still equal after all the above-mentioned criteria, both pairs will qualify for the final. If two pairs placing 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> during the final are still equal after the above-mentioned criteria, the kata will be repeated so that the medal can be assigned.

The centre of the competition area shall be indicated with a strip of adhesive tape of the same colour. The safety area between and around the mat must be a minimum of 2 m.

## AWARDING CEREMONY

For each kata, the pair with the maximum points in the final will be awarded the gold medal, the pair with the second most points will be awarded the silver medal; and the third pair, the bronze medal. The medallists must wear a white judogi on the podium.

All finalists, including 4<sup>th</sup> to 6<sup>th</sup> place will receive a certificate.

## MEDICAL SITUATION

### Minor injury and illness:

- In case of a minor injury like bloody wound, broken nails or a problem with contact lenses etc., and according to the decision of the judges, the kata performance will be stopped, and the athlete will be assisted by a doctor out of the competition area if needed. The competition will continue, and the pair will repeat entirely the kata after the last pair has performed.
- In case another minor injury happens to the same athlete during the second performance of the kata or after a forgotten technique or a major mistake, the pair will be given a score of 0 for the technique where the injury occurred as well as for the following techniques including the closing ceremony. A ranking will be assigned to them in the pool or in the final. If ranking them allows them to participate in the final, the next pair in the ranking from the pool will participate in the final.

### Major injury or illness:

- When tori or uke is unable to continue to perform the kata because of an injury, illness or accident during the execution of the kata, the pair will be given a score of 0 for the technique where the injury occurred as well as for the following techniques including the closing ceremony. A ranking will be assigned to them in the pool or in the final. If ranking them allows them to participate in the final, the next pair in the pool will participate in the final.
