COMPETITION RULES

WORDS OF WELCOME

Dr. László TÓTH
President
European Judo Union

Dear Members of European Judo Family, Dear Participants,

It is my great pleasure to welcome you back to Prague this year after the highly successful European Judo Championships 2020. Now the floor and the tatami is yours, junior judokas of Europe!

In your own way, all of you are already champions. To compete at a continental tournament as the best of your nation at a young age is an achievement worthy of recognition in itself, should any of you end up on the various stages of the podium.

You who participate in this competition have come this far through a lot of training, self-discipline, patience and perseverance. This is a milestone for many of you, as the results achieved here reflect the hard work you have put in, the caring concern of the coaches, the technical team, the supportive love and encouragement of your parents and loved ones. You will soon step onto the tatami to show your skills, and finally to give the continent's most successful young judokas the deserved accolades, the European champion titles.

This is a significant milestone in a challenging period, and all participants, athletes and national federation officials are to be commended for being here, despite the uncertainties and difficulties of pandemic and war, to show Europe over and over that judo is alive and well.

I wish you all a very positive and fruitful few days together in Prague. I wish you a fair and enjoyable competition and good health for all.

Pavel VOLEK
President Czech
Judo Federation

Dear judo friends,

It is my great pleasure to welcome you to Prague, the capital of the Czech Republic. The Czech Judo Federation is honored and proud to host the European Judo Championships Juniors again after 15 years. The event in 2007 was the starting gun for an expansion of judo in Czechia. The number of active judokas has doubled since then and the athletes of the Czech Republic have won several precious titles including the Olympic gold in 2016 and 2020. We therefore believe that also these Championships will give an impulse for further development of judo in Czechia.

The Czech Judo Federation will do its utmost to make the tournament at the level expected. I would like to express my gratitude to the EJU, local authorities, organizers and volunteers for the effort and work enabling us to organize this event.

Dear Judo Friends, on behalf of the Czech Judo Federation, I wish you a pleasant stay in Prague and may you have a successful event that you will remember forever.

1. Regulations to minimize COVID-19 related risks

Anyone not complying with the conditions of participation described in these outlines will not be eligible to take part in the event and will be subject to disciplinary action.

The fundamental principle throughout all EJU events during the Covid-19 era is to protect and be protected by wearing a mask, sanitising, distancing and respecting the recommendations of the IJF protocol. All participants have the mutual responsibility to protect one-another.

Each National Federation delegation participant (athlete, coach, team official, physiotherapist, doctor, President etc.) must have read and understood the latest version of the Protocol for resuming IJF events during the Covid-19 pandemic which can be found here: [covid.ijf.org](https://www.ijf.org/covid).

To maintain the required safety level at the EJU events, the following variants of vaccination are recognised as complete vaccination and the bearers as “fully vaccinated” within the validity period:

	Type of protection	Minimum time elapsed	Maximum time elapsed
1st series of vaccination	1 dose (Janssen, Sputnik Lite, or other)	Minimum 28 days from receiving the dose	Maximum 6 months from receiving the dose
	2 doses of any 2 dose vaccines	Minimum 14 days from the 2nd dose	Maximum 6 months from the 2nd dose
	Recovery from infection and 1 dose	Minimum 14 days from receiving the dose	Maximum 6 months from receiving the dose
	1 dose and recovery from infection	Minimum 11 days from the positive PCR	Maximum 6 months from the positive PCR
Additional series of vaccination*	Booster/revaccination dose(s)	From the day of vaccination	To be determined by the WHO, currently no end of validity
Recovery	Recovery from infection	Minimum 11 days from the positive PCR	Maximum 6 months from the positive PCR

In case the validity expires during an event, the status is upheld until the last day of the event.

The EJU/IJF accepts all vaccination types, not only EMA or WHO approved products.

Vaccination validity is subject to change according to WHO recommendations.

Minors (under 18) are considered fully vaccinated after completing the first series of vaccination with no end of validity until further decision.

Please, note: host country vaccination criteria may differ from the those specified in IJF Covid-19 Protocol, always check the local rules before travelling.

Bubble system

Partial bubble applies at the European Judo Championships Juniors Prague 2022: participants may exit their hotel for “work activities” i.e., run/walk to training and/or competition venue, general exercising, running etc., not for tourist activities. Visiting the host city for sightseeing or shopping is still not allowed during a competition. Delegations are expected to control themselves to reduce the risk of infection.

Mask wearing

Mask wearing is obligatory from the airport to the testing station while in transfer, otherwise optional or as per the host country regulations.

The EJU Medical Commission strongly recommends wearing a mask on airplanes even if it is not obligatory anymore.

COVID-19 Documents

All pre-event COVID-19 documents must be uploaded on the IJF platform: my.ijf.org before travelling. If assistance is required - please contact headoffice@eju.net. PCR test documents are deleted fourteen (14) days after the event.

Event participation (refer also to section 2)

To participate in the European Judo Championships Juniors Prague 2022 each delegate is responsible to follow:

- The rules to enter the host country
- The Local Organising Committee's (LOC) Government COVID-19 measures
- The IJF COVID-19 Protocol rules

The LOC Government measures may be stricter than those detailed in the IJF COVID-19 protocol or vice versa, the stricter rules MUST be followed.

Insurance

It is the responsibility of the National Federation to ensure that in addition to their normal insurance they have sufficient insurance in place to cover any COVID-19 related costs, including repatriation. The LOC of the event and the EJU accept no liability for any claims relating to cancellation of the event due to COVID-19 or medical costs for any COVID-19 related illness that may affect a National Federation delegation member during the event.

PLEASE NOTE:

- **Each National Federation taking part must nominate a Covid-19 Manager who is fluent in English.**

The event venues (hotels, sport hall, training hall etc.) will be classified as bubbles and to reduce risk a "bubble to bubble" concept will be used. People are NOT allowed to leave their bubble unless it is announced otherwise. Everyone is responsible to ensure they follow the IJF COVID rules for entry to the bubble.

1. Upon entering the bubble **rapid antigen will be done (irrespective of vaccination/recovery status). If the rapid antigen test is negative - the participant is authorised to take part. If the rapid antigen test is positive - PCR test will be done to confirm the positivity. Until the PCR test results arrive - the person needs to be isolated in the hotel room.**

If the team has the possibility to put an inscribed athlete in a category, he must do so. An athlete cannot be rested for one match and return for the next unless they have been replaced by the other inscribed athlete. If the team has no athlete in a category, they should select the "no competitor" option.

For the first round the lists must be returned at least 30 minutes before the start of the competition.

For other rounds it must be returned 5 minutes after receiving the list from competition management. Once it is returned to competition management it cannot be changed.

Duration of each contest: women four (4) minutes and men four (4) minutes (real time). After the team bow the byes are displayed on the scoreboard and wins are given.

- Example: If blue team has one category empty: 1:0
- Example: if both teams have a different category empty: 1:1
- Example: if both teams have the same category empty: 0:0 (this is the only case when we stop a match when a team has reached 3 wins).

These byes are skipped later, no player needs to return to the tatami to bow again if there is no contest to be fought.

The first team reaching the majority of wins (4) is declared the winner. The remaining contests will not be fought.

It is compulsory that all athletes listed for the match compete until the team reaches the winning result. If an athlete refuses to compete the team will be disqualified.

If one team does not arrive for a match, the other team will be declared the winner.

If there are an equal number of wins at the end of the match, there is a draw for the weight category that will compete in a golden score contest (see table below) to decide the winning team. The draw is done by computer and displayed on the athlete and public (big screen) scoreboards.

Draw for golden score contest scenario	Action
Both teams have “no competitor”	Category is removed from the draw
One team has “no competitor” or after the regular contest an athlete is unable to continue (injured, ill, direct hansoku-make <i>cannot continue</i> in competition etc.)	Category remains in the draw and the win is given directly to the other team
In the regular contest both athletes given an indirect hansoku-make (3 shido) or a direct hansoku-make (<i>can continue</i> in competition)	Category remains in the draw

17. JUDOGI CONTROL

Approved Judogi

All Judoka must compete in IJF Approved Judogi (only red label allowed). Judogis from all IJF suppliers are allowed (see www.ijf.org → Official Supplier List).

Judogi Control

It will be operated with a Sokuteiki prior to the fight. Each of the competition clothing articles (jacket, trousers and belt) must have the official IJF label, which will be controlled with an optical lamp (coloured belts do not have to have the IJF label).

The jacket and the trousers must be of the same brand (belt can be of a different brand).

Backnumber

Each competitor taking part in the EJU events is obliged to have sewn on the back of his Judogi the official backnumber (both EJU and IJF are allowed) bearing his surname and his National Olympic Committee abbreviation. The backnumber can be ordered from www.mybacknumber.com or www.officialbacknumber.com (Attention: production and delivery may take around 4 weeks). The SPONSOR part (if needed) will be given to the head of delegation during registration, and the athletes can stick it themselves using the special glue on the back number.

Markings and Advertising

The space on the **shoulder stripes** (25cm x 5 cm on both right and left side) and on the **upper arms** (10cm x 10cm on both right and left side) can be either used for **own sponsors of the Federation or Judoka or EJU Suppliers, BUT not for any other Judogi supplier**.

The space on the right chest (5cm x 10cm) can be used by federations and their Judoka for their own sponsors. The logo of a Judogi brand can only be used, if it corresponds with brand of the Judogi itself and if it is of an EJU Supplier.

Please note: On all advertising spaces it is strictly prohibited to promote tobacco, alcohol, any substances listed in the doping code, or any product or service contrary to public morals.

The space on the **left chest** (10cm x 10cm) can be used for the national colours or the national emblem corresponding with the IOC code on the backnumber (regional emblems are not allowed).

All other markings on the Judogi, like Judogi brand logos, name of Judoka, etc. have to comply with the IJF Judogi Rules (see IJF SOR Appendix C).

Detailed information is available on <http://www.eju.net/statutes>.

Important:

- If an athlete does not respect the Judogi rules, the athlete will not be permitted to pass the Judogi Control, and the coach who is responsible for the athlete will be suspended for the rest of the competition day.
- The organiser is not obliged to provide reserve Judogi at Judogi Control, but the athlete is allowed to present himself in another IJF Approved Judogi, complying with the Sokuteiki rule (and without backnumber) - in this case no coach can go with this athlete to the mat!
- In the case of a repeated offence the coach will be suspended for the rest of the competition.

18. REFEREEING

18.1 SELECTION & REGISTRATION OF REFEREES

The EJU Refereeing Commission will select the referees for these Championships by name, based on the results of the 2019, 2020 and 2021 ranking lists. The federations will get the information in time about nominated referees.

After the nomination of the referees, the federation must confirm the participation to EJU Head Office by the deadline stipulated in the letter. Further, the referee must be entered by his/her federation like every other delegate in JUDOBASE and also the hotel reservation has to be done by the national federation.

A referee meeting is scheduled one hour before the start of the first competition day. Time and place are stated in the program. The attendance to the Referee meeting is strictly compulsory.

18.3 REFEREEING RULES

The competition will be carried out according to the rules and sporting codes of the IJF and EJU.

In case of direct Hansokumake against the spirit of judo, a joint decision would be taken by the EJU Sports Commission and the EJU Refereeing Commission. In this case, the Judoka would receive no medal and no ranking points for that tournament.

Note: A competitor who has been declared as a loser by injury can continue the competition. A competitor, who has got a direct Hansokumake as the penalty against the spirit of our sport, will not be authorised to continue the competition.

19. COACHING

Coaches nominated by their National Federations should respect the IJF Code of Ethics point 4 and IJF SOR point 9.6. Any coaches not adhering to these rules could be subject to disciplinary action.

The sex certificate and the medical certificate of the competitors are not required. The competitors will compete under the full responsibility of the federations.

Insurance

Attitude of Competitors

The federations are responsible vis-à-vis the EJU concerning the general attitude of their competitors.

The federations are responsible to have obtained the rights for the EJU to use the competitor's image in whichever way it considers it necessary for the promotion of the sport.

Neither the organizer of the event, nor the European Judo Union (nor any of its officials or members) will be liable or responsible for any personal injury nor for any loss or damage to your property arising out of your participation and travelling in connection with these events.

Consent for Photography/Videos/Filming

This media may be obtained from National Federations and EJU. It will also be acquired by the EJU and its media partners from in and around all EJU event venues. Media could be used in print and digital media formats including print publications, websites, e-marketing, posters banners, advertising, film, broadcast, social media, education purposes and other purposes. The National Federation must ensure that they have the permission of each delegate or in the case of a minor the permission of the parent/guardian. If a delegate does not give consent, then the National Federation must inform the European Judo Union by writing to headoffice@eju.net.

21. FUNDAMENTAL PRINCIPLE

All National Federations, officials, coaches and athletes participating in this event have to respect and accept the authority of the EJU officials, the rules and statutes of the International Judo Federation and European Judo Union. Individuals deemed to have acted against the EJU or IJF, their principles or purposes shall be subject to suspension or expulsion from the event and/or cancellation of their accreditation cards.

22. AWARDING CEREMONIES

Each athlete who has won a medal must be present at the ceremony to receive their medal personally. Any athlete who is absent from the awarding ceremony without a good reason may forfeit the medal.

Athletes must attend the medal ceremony barefoot, without any hat, cap or any similar head covering and wearing their IJF approved white judogi that conforms to the IJF judogi rules with special attention being paid to the publicity rule. If it is not clean, then they must wear a reserve judogi.

It is strictly prohibited for athletes on the podium to have national flags or similar items other than those on their judogi. Any demonstration with religious, political, personal or commercial connotation is prohibited.

Athletes must also be available for interview after the last awarding ceremony if requested by the EJU Media Team.

After each day of competition photos will be uploaded on the EJU website: <https://www.eju.net/galleries/>. These photos are rights-free and can be downloaded and used by anyone: athletes, coaches, national federations, press and media etc.
