COMPETITION OUTLINES

WORDS OF WELCOME

Dr. László Tóth
President
European Judo Union

Dear Judo friends!

Welcome to Slovenia,

On behalf of the European Judo Union it gives me great pleasure to welcome all participants, guests and spectators alike to the European Kata Championships being held here in Podcetrtek, Slovenia.

Kata continues to play a central role in the World of Judo, requiring of its practitioners the acquisition of considerable knowledge and understanding of the art of judo along with the ability to demonstrate a high degree of expertise in the stylised execution of judo waza.

Being able to practise judo in the kata version also means strengthening the mind and body. European Judo Union intends to pay more attention to the construction and operation of the Kata system. The first sign of this the European Judo Championships Kata.

It is with great pleasure that I invite the Europe to join us here in Slovenia. I wish a health and success to all and thank the organisers locally and internationally for their diligence and collaboration.

Yours in judo.

Lovrencij Galuf
President
Slovenian Judo Federation

Dear athletes and judo lovers!

It is wonderful to, once again, be part of a story that contributes to a collage of the successful work done by our sports organizations.

It is a great honor to be chosen once again by the EJU to organize and carry out the European Kata Championship. We first organized this event in 2012 and again 2018, however, that was not our first time organizing a major sporting event. The first European Championship in Slovenia took place in 1997-a European Youth Championship.

Why katas? We all reach a point where we start to wonder about the beginnings and origins. That is what katas represent. They highlight the morals and basics of the sport that dictates our lives. Looking from another point of view, judo emphasizes perfection, history and essence. We promise to strive towards that perfection when organizing the European Championship, which will take place in Koper.

Come and visit Podcetrtek, visit Slovenia and be a part of this story with us!
!

After the nomination of the judges, the federation must confirm the participation to EJU Head Office by the deadline stipulated in the letter. Further, the judge must be entered by his/her federation like every other delegate in JUDOBASE.

4.1. JUDGES' MEETING

All judges have to attend the technical meeting in the afternoon before the first day of competition to confirm participation as judge in these Championships. Only judges are to attend this meeting. Time and place are stated in the program.

4.2. POINT SYSTEM

EUROPEAN JUDO CHAMPIONSHIPS KATA SENIORS & JUNIORS

ENBU JUDO

Each technique and open and closing ceremonies are evaluated with a maximum positive score of 10 points. The positive score is decreased by mistakes. The evaluation of every technique of Kata has to consider the principle and the opportunity of execution: the evaluation (included the opening and closing ceremony) has to be comprehensive.

Definition of mistakes:

Forgotten technique/Major mistake – score is zero and the total score of the Kata is halved. If the forgotten technique is more than one, zero score will be given to the technique but the total score will be not halved again

Big mistake: when the execution of the principle is incorrect (5 points are deducted and the maximum number of crosses is 1)

Medium mistake: when one or more elements of the principle are not applied in the correct way (3 points are deducted and the maximum number of crosses is 1).

Small mistake: imperfection in the application of the technique (1 point is deducted and the maximum number of crosses is 2).

For every technique without a forgotten technique or major mistake, the minimum score has to be 1.

The total score for each technique can be increased or decreased by 0,5 point adding in the column of the correction value a " + " or a " - ".

In the Nage-no-Kata right and left techniques will be evaluated globally (only one score).

In case of equal score between pairs the following criteria will be applied considering the scoring sheets of 5 judges:

- total value of big mistakes - wins those who makes less mistakes
- if still equal, total value of medium mistakes will be considered - wins the pair who makes less mistakes
- if still equal, total value of small mistakes will be considered - wins the pair who makes less mistakes
- if still equal, the average score (evaluated until the second decimal place) of the whole Kata will decide. Wins the pair who has a better score.

If two pairs both are placed 3rd after the above mentioned criteria, the Kata will be repeated in order to assign the medal.

JUNIOR KATA EUROPEAN JUDO CHAMPIONSHIPS

Even if the Kata is not complete, the pairs have to execute the closing ceremony.

4.3. ENBU JUDO

The show will be judged according to the following criteria:

- Efficiency/Precision
- Difficulty level
- Variety of techniques
- Choreography
- Originality
- Tradition / spirit

The total points accumulated will be the final result.

Accessories: only traditional Kata weapons are allowed during the demonstration.

4.4. SYSTEM OF JUDGING

EUROPEAN JUDO CHAMPIONSHIPS KATA

The number of judges is five* and they will be positioned on the shomen side. They will award points on the official EJU scoring sheet. For each technique the total score of three judges will be summed up to produce the final score: the maximum score and the minimum score for each technique will be cancelled. The total score of the whole Kata will be the sum of the score totalled by five judges.

The rule of neutrality will be applied: a couple cannot be judged by a judge of the same nation. The position of the five judges will be the same for the whole competition.

A judge cannot be a competitor.

The judges shall always be in their position before the arrival of the couple to the competition area.

The judge in the centre stands up and, with tense arms and palms of the hands turned upward, invites the couple to enter the competition area.

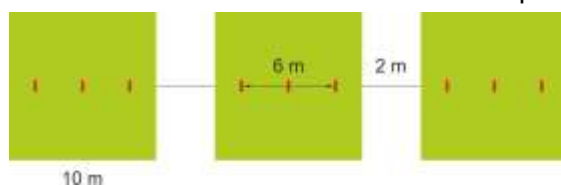

The couple enters and leaves the competition area at the opposite side of shomen: the start and end of Kata (opening and closing ceremony) is at 10 m or 8 m distance (bow to the mat).

4.5. COMPETITION AREA

The competition area has dimensions of 10 x 10 meters (or 8 x 8 meters minimum) and shall be covered with tatami or similar acceptable material.

The competition area must be fixed to a resilient floor. When more adjoining competition areas are used, a common safety area of 2 meters is necessary. Around the safety area, a free area of 1m is to be expected.

A strip of visible colour adhesive tape, approximately 5 cm wide and 50 cm long, shall be fixed on the center of the competition area 6 m apart to indicate the starting position of Tori and Uke. The center of the competition area shall be indicated with a strip of adhesive tape of the same colour.

4.6. INJURY, ILLNESS and ACCIDENT

When Tori or Uke is unable to continue because of injury, illness or accident during the execution of the Kata, the couple will be considered out of competition. In case of minor injury like bloody wound, broken nail or a problem with contact lenses, according to the decision of the judges the Kata execution will be interrupted and the athlete will be assisted by a doctor out of the competition area. The competition will continue and the couple will repeat entirely the Kata soon after the last called couple. In case a new minor injury occurs to the same athletes during the second execution of Kata, the couple will be considered out of competition. In the case that minor injury happens after a forgotten technique/major mistake, the couple will be considered out of competition.

4.7. SITUATIONS NOT COVERED BY THE RULES

When any situation arises which is not covered by these rules, it shall be dealt with and a decision will be given by the EJU Kata Commission.
