## ***INTRODUCTION BY FEDERATION PRESIDENT***

Dear Judo colleagues,

As president of the Royal Belgian Judofederation I am very proud to invite all distinguished members and guests of the European Judo Union to Belgium for the European Championships U20 2011.

In 1997 we organised the European Championships for seniors in Ostend. Those days were memorable for the Belgian judo and all participants at this great event.

With Lommel as host city we have a location that has everything to make this European Championships U20 an unforgettable event. Lommel has with the Arena De Soeverein a superb infrastructure and with Center Parcs the Vossemeren a fantastic athletes village available.

Like in Ostend we hope to create an atmosphere where the young judoka's from all over Europe will rise above themselves in a spirit of real sportsmanship.

We are convinced that the successful organisation of the European Championships will contribute again to a growing popularity of our judo sport in Belgium.

The Royal Belgian Judofederation and the organising committee are looking forward to see you all in September and wish all delegations the very best.

We hope you will enjoy your stay in Belgium and make it a successful European Championships!

Jacques Martens

President

Royal Belgian Judo Federation

The EJU accreditation cards for the EC, which are printed from JUMAS, must be presented at the official weigh-in and before each contest.

## 1.10. RESPONSIBILITY OF THE FEDERATIONS

### a. Medical certificate

The sex certificate and the medical certificate of the competitors are not required.  
The competitors will compete under the full responsibility of the federations.

### b. Insurance

### c. Attitude of the competitors

The federations are responsible vis-à-vis the EJU concerning the general attitude of their competitors.

### d. Image of Athletes

The federations are responsible to have obtained the rights for the EJU to use the competitors image in whichever way it considers it necessary for the promotion of the sport.

Neither the organizer of the event, nor the Belgian Judo Federation (nor any of its officials or members) will be liable or responsible for any personal injury nor for any loss or damage to your property arising out of your participation and travelling in connection with these events.

Judogi markings must be in accordance with the EJU regulations, as defined in 2.3. In order to enforce the proper size and measurements of judogi as defined by the Competition Rules and fair conditions for athletes, the special measuring device SOKUTEKI will be used.

**If the Judogi of the athlete does not comply with all the specifications of the EJU and the IJF, including the name and country patch, the athlete will be disqualified from the tournament.**

### 2.2. BACK NUMBERS

The top part of the back number consists of the Surname and Country of the competitors. **Should the competitors report to the competition without the official licensed EJU backnumber for Name and Country patch, the competitors will not be allowed to compete.** The 2011 version of the back number is obligatory for these championships. These back numbers can be ordered only from [www.mybacknumber.com](http://www.mybacknumber.com). New back identification of athletes 01.01.2011

### 2.3. ACCEPTABLE MARKINGS

As advised during the EJU Ordinary Congress 2009, the EJU decided to allocate the space on the shoulder stripes only to EJU official suppliers, for all official EJU Tournaments. *EJU Suppliers are EJU Partners who have bought the right to advertise on the Judogi shoulder stripes (25cm x 5cm). EJU Partners can also be the athletes' sponsors, if these would like to show the company in EJU events.*

Advertising on the arms (10cm x 10cm on both right and left side) can be used by federations and their competitors as usual for their own profit.

Competitors may make use of Judogi from all manufacturers (even those listed as EJU Suppliers) in all EJU events, as long as they do not use the advertising on the shoulder stripes. It is not allowed to tape or cover any non-authorized suppliers as this would affect the judogi design and the grip of the opponent.

The competitor must sign the form and have a copy. The competitor has to register by maximum 60 min. after he/she has signed the notification form (including press) at the doping control station. The escort has to be physically beside the competitor and keep the competitor under observation (visible) all the time and accompany her/him to the waiting room at the Doping Control Station (DCS). When requested urine volume of 90 ml (minimum) has been provided, the competitor shall select a urine control kit, open and check it and pour by her/himself 30 ml (minimum) first into bottle B and then 60 ml (minimum) into bottle A. Few drops of urine shall remain in the collection vessel to check specific gravity. The competitor shall close the A and B bottles hermetically. The remaining urine is to be destroyed after sealing of bottles A and B. If the amount of urine is less than 75 ml, partial sample kit or temporary sealing is needed.

If the amount of urine is less than 90 ml, partial sample kit or temporary sealing is needed. The specific gravity must be 1.010 or higher (stick) or 1.005 or higher in case of refractometer has been used. If not, another sample is needed. *It is the responsibility of the Athlete to provide a Sample with a Suitable Specific Gravity for Analysis. Such exceptional circumstances shall documented accordingly by the EJU Doctor. (According to WADA IST: Number of urine samples is as many as needed to get suitable SG. There is no time limit, neither)

If it is determined that none of the competitors Samples meets the requirement for Suitable Specific Gravity for Analysis and the EJU doctor determines that for logistical reasons it is impossible to continue with the Sample Collection Session, the EJU doctor may end the Sample Collection Session.
