

Dear Judo friends,

The Andorran Judo Federation is pleased to invite you to the 20nd. international cadet training camp organized under the auspices of the European Judo Union. At the heart of the Pyrenees, ideally located between France and Spain, Andorra is a meeting place to gather the elite of European judo.

Sports facilities, training at altitude, the level of the fighters, all conditions are met to make this course a success.

But beyond these initial findings, it is also the discovery of a unique environment that we are inviting to you.

Alongside the training, and whatever your interests are, the Principality of Andorra opens, in fact, the doors of a natural setting without equal in the magnificent location of the Pyrenees.

Hiking in the mountains, outdoor sports, water activities in the aquatic centre or simply "shopping" will make your internship and free time unforgettable...

In advance, we wish you a warm welcome and a pleasant stay.

Yours sincerely,

Miquel Armengol Pons
President Federació Andorrana de Judo
