## Invitation

Dear President,

The popularity of judo is rapidly increased in Estonia in past 15 years and Estonia has become an internationally appreciated judo country. After successful Olympic Games in Sydney the popularity of judo have increased rapidly and as the moment we have ca. 3300 people who practice judo in Estonia.

We would like to continue tight co-operation with your country and we would like to invite your judo team to the EJU Junior European Cup Judo Tournament in Tartu, Estonia.

Our goal is to increase the number of participants and participating countries in this tournament every year and to become the strongest judo tournament for juniors in the Nordic and Baltic region.

After the Tournament, an International Training Camp will take place in Tartu from 18th to 21st of April. This Training Camp will be an excellent preparation stage for preparation to compete in St. Petersburg Junior European Top Ranking Cup 23rd-24th of April in Russia. We will help to organize Your teams smooth transportation from Tartu to St. Petersburg, Russia.

We would be very honored if your team could participate in this tournament and training camp.

With best regards,

Tõnu Tõniste  
President  
Estonian Judo Association
