 - Numerical inscriptions must be sent in about two months before. The participating Federation should advise how many athletes will be participating.
1. Each competitor taking part in the EJU events is obliged to have on the back of his Judogi the official 2011 EJU / IJF back number. The 2010 EJU / IJF back number will only be accepted in European Cups until 31st December 2011.
 2. The participating athlete / Federation is responsible for ordering and sewing of the back number, which must be the official EJU / IJF one. It should be ordered from www.mybacknumber.com. Production and delivery takes around four weeks.
 3. The SPONSOR part (if needed) will be given to the head of delegation during registration, and the athletes can stick it themselves using the special glue on the back number.
