

1 000 € CONTEST 28 OCTOBER-30 OCTOBER

Borås 1st of June 2011

Dear Sport friends,

Borås Judo club has since 2003 been the organizer of Swedish Judo Open by the Swedish Judo federation. Last year, our tournament reached a record of 378 competitors from 27 nations. To develop the event further more in 2011, we have decided to expand the contest from 2 till 3 days. We will also have accreditation and draws on both Thursday and Friday. The main reason behind this decision is to create shorter competition days, which will make it more convenient for the athletes, audience, media and others involved around the event. This also gives us the opportunity to welcome all entries not needing to limit the number of participants.

Another improvement for this year's event is that the EJU training camp from the 31st of October to the 2nd of November will be held at the competition venue with more space and better conditions. We hope and believe that with these changes and improvements the Swedish Judo Open in 2011 will be better than ever.

Borås are situated close to Landvetter Airport and not so far from the Gothenburg City Airport. We will take care of all transportation from these airports and the official hotel during the competition and camp.

Best regards,

Per Kjellin, Competition Manager.
