EJU OTC – ‘GOING FOR GOLD’

BRITISH JUDO PERFORMANCE INSTITUTE – DARTFORD JUDO CLUB

Monday 8th August - Friday 12th August 2011

Following the EJU's first successful Training Centre Project in 2010, British Judo would like to welcome you on behalf of the EJU to the 2011 Camp. This is an excellent opportunity for high level training and for teams to use in their preparation ahead of the 2011 Paris World Championships. We hope to attract a number of elite players to train this week at Dartford.

Teams may also, with one year out from the 2012 Olympic Games, want to take the opportunity to visit London. The Capital is easily accessible on the train from Dartford and you will be able to familiarise your team with the location of the Olympic Village and also the Judo Excel venue.
