## 1.11. JUDO GI

The competitions will be held in white and blue judogi. Judogi markings must be in accordance with the EJU regulations. In order to enforce the proper size and measurements of judogi as defined by the Competition Rules and fair conditions for athletes, the special measuring device SOKUTEIKI and a new procedure of judogi control will be used.

## 1.12. BACK NUMBERS

The Back Number is divided in 2 sections.

The top part of the back number consists of the Surname and Country of the athlete. **Should the athlete report to the competition without the International Judo Material Store (IJMS) Name and Country patch, the athlete will not be allowed to compete.**

These back numbers should be ordered from [www.mybacknumber.com](http://www.mybacknumber.com). It is important to note that production and delivery takes around 4 weeks.

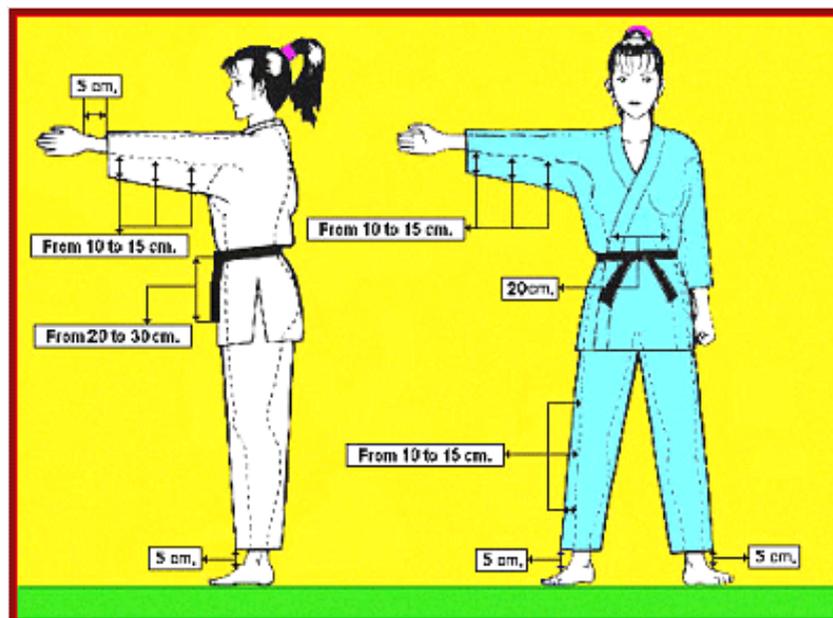

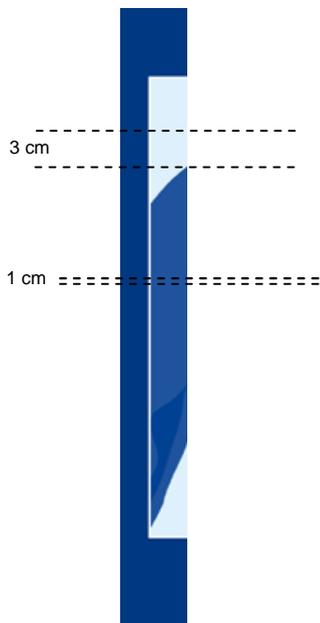

**It is the duty of the participating federation / athlete to order this part of the back number in time.**

The bottom part consists of the Sponsor and the Name of the Event. The organiser will order enough back numbers for all participants according to the numerical entry. Should the participating federation list more athletes than are actually participating, the federation will pay € 10 per extra athlete (2 back numbers at € 5 each).

The organiser is responsible for ordering the bottom part of the back number immediately after the numerical inscriptions deadline is over, from [www.mybacknumber.com](http://www.mybacknumber.com).

The organiser will distribute these self adhesive back numbers during registration. The athletes themselves will then affix them to the Judogi.

Judoka who like to compete must ensure that the Judogi conforms to these rules and therefore remove the non-EJU Official Supplier advertising or change the jacket.
