COMPETITION RULES

WORDS OF WELCOME

Dr. László TÓTH
President
European Judo Union

Dear Judo Family and Friends,

It is my great pleasure to welcome you back to Sarajevo, Bosnia and Herzegovina, for the European Judo Championships Kata 2026. After two years, we return to a well-known and highly appreciated organiser and venue. It is always a privilege to come back to a place that honours Kata and its values and spirit with such genuine commitment.

Kata is at the very heart of judo. It carries our traditions, preserves our principles, and connects generations of judoka through precision, harmony, and mutual respect. Beyond technique, it represents a shared understanding of balance, discipline, and continuous development. In every performance, we see not only excellence, but the living heritage of our sport.

The European Judo Union is proud to host the Kodokan Kata Seminar alongside this championship, offering a unique opportunity for learning, exchange, and further development under the guidance of the highest-level experts.

We firmly believe in the future of Kata, as its growth across Europe continues to inspire both established athletes and the next generation.

I would like to express my sincere appreciation to the Judo Federation of Bosnia and Herzegovina and to the local authorities for their dedicated support and excellent organisation.

To all athletes, coaches, officials, and supporters: I wish you a successful and fair competition and a memorable stay in Sarajevo.

Yours in judo,

Ognjen PAVLOVIC

Herzegovina Judo

Our Federation and all persons involved in the technical organization, as always, will do their best to make the event go well.

Therefore, the Judo Federation of Bosnia and Herzegovina is a relatively young member of the IJF and EJU, but we are proud of the fact that we have so far successfully organized a large number of World Championships, European Championships, European Cups for seniors and juniors, Europe Opens and for the second time we have the honor and pleasure to host an European Judo Union event and organized European Kata Championships and Kodokan Kata Seminar 2026.

I would like to thank Dr. Laszlo Toth, President of the European Judo Union for the confidence shown in the assignment of the event and the local Authorities for the support provided to the Organizers.

19. JUGDES

19.1 SELECTION & REGISTRATION OF JUGDES

The competition will be judged by EJU qualified Kata judges.

The EJU Kata Commission will select the Judges for these Championships by name, based on the results of the 2025/2026. The federations will get the information in time. After the nomination of the judges, the federation must confirm the participation to EJU Head Office by the deadline stipulated in the letter. Further, the judge must be entered by his/her federation like every other delegate in JUDOBASE.

19.2 JUGDES MEETING

All judges have to attend the technical meeting in the afternoon before the first day of competition to confirm participation as judge in these Championships. Only judges are to attend this meeting. Time and place are stated in the program.

19.3 POINT SYSTEM

European Judo Championships KATA Seniors, Juniors & Cadets

EUROPEAN JUDO CHAMPIONSHIPS KATA SARAJEVO 2026

Sarajevo - Bosnia & Herzegovina

Each technique and open and closing ceremonies are evaluated with a maximum positive score of 10 points. The positive score is decreased by mistakes. The evaluation of every technique of Kata has to consider the principle and the opportunity of execution: the evaluation (included the opening and closing ceremony) has to be comprehensive.

Definition of mistakes:

- Forgotten technique/Major mistake - score is zero and the total score of the Kata is halved. If the forgotten technique is more than one, zero score will be given to the technique but the total score will be not halved again. If the halved total value is not a whole number, the score will be rounded up.
- Big mistake: when the execution of the principle is incorrect (5 points are deducted and the maximum number of crosses is 1)
- Medium mistake: when one or more elements of the principle are not applied in the correct way (3 points are deducted and the maximum number of crosses is 1).
- Small mistake: imperfection in the application of the technique (1 point is deducted and the maximum number of crosses is 2).

For every technique without a forgotten technique or major mistake, the minimum score has to be 1.

The total score for each technique can be increased or decreased by 0,5 point adding in the column of the correction value a “ + ” or a “ - ”.

In the Nage-no-Kata right and left techniques will be evaluated globally (only one score).

In case of equal score between pairs the following criteria will be applied considering the scoring sheets of 5 judges:

- total value of big mistakes - wins those who makes less mistakes
- if still equal, total value of medium mistakes will be considered - wins the pair who makes less mistakes
- if still equal, total value of small mistakes will be considered - wins the pair who makes less mistakes
- if still equal, the average score (evaluated until the second decimal place) of the whole Kata will decide. Wins the pair who has a better score.

ENBU Judo

If two pairs both are placed 3rd after the above mentioned criteria, the Kata will be repeated in order to assign the medal ENBU Judo:

The show will be judged according to the following criteria: Efficiency/Precision, difficulty level, variety of techniques, choreography, originality, tradition/spirit. ENBU evaluation: Scoring system 0 to 10 points. The total points accumulated will be the final result. Accessories: only traditional Kata weapons are allowed during the demonstration.

19.4 SYSTEM OF JUDGING

European Judo Championships KATA

The number of judges is five* and they will be positioned on the shomen side. They will award points on the official EJU scoring sheet. For each technique the total score of three judges will be summed up to produce the final score: the maximum score and the minimum score for each technique will be cancelled. The total score of the whole Kata will be the sum of the score totalled by five judges.

The rule of neutrality will be applied: a couple cannot be judged by a judge of the same nation. The position of the five judges will be the same for the whole competition.

A judge cannot be a competitor.

The judges shall always be in their position before the arrival of the couple to the competition area.

The judge in the centre stands up and, with tense arms and palms of the hands turned upward, invites the couple to enter the competition area.

The couple enters and leaves the competition area at the opposite side of shomen: the start and end of Kata (opening and closing ceremony) is at 10 m or 8 m distance (bow to the mat).

19.5 COMPETITION AREA

The competition area has dimensions of 10 x 10 meters (or 8 x 8 meters minimum) and shall be covered with tatami or similar acceptable material.

The competition area must be fixed to a resilient floor. When more adjoining competition areas are used, a common safety area of 2 meters is necessary. Around the safety area, a free area of 1m is to be expected.

EUROPEAN JUDO CHAMPIONSHIPS KATA SARAJEVO 2026

Sarajevo - Bosnia & Herzegovina

A strip of visible colour adhesive tape, approximately 5 cm wide and 50 cm long, shall be fixed on the center of the competition area 6 m apart to indicate the starting position of Tori and Uke. The center of the competition area shall be indicated with a strip of adhesive tape of the same colour.

19.6 INJURY, ILLNESS and ACCIDENT

In case of Minor injury like bloody wound, broken nail or a problem with contact lenses, according to the decision of the judges, the Kata execution will be stopped, and the athlete will be assisted by a Doctor out of the competition area, if needed.

The competition will continue, and the pair will repeat entirely the Kata after the last pair has performed.

In case another minor injury happens to the same athlete during the second performance of the kata or after a forgotten technique or a major mistake, the pair will be given a score of 0 for the technique where the injury occurred as well as for the following techniques including the closing ceremony. A ranking will be assigned to them in the pool or in the final. If ranking then allows them to participate in the final, the next pair in the pool will participate in the final.

When Tori or Uke is unable to continue to perform the kata because of an injury, illness or accident during the execution of the kata, the pair will be given a score of 0 for the technique where the injury occurred as well as for the following techniques including the closing ceremony. A ranking will be assigned to them in the pool or in the final. If ranking them allows them to participate in the final, the next pair in the pool will participate in the final.

19.7 SITUATIONS NOT COVERED BY THE RULES

When any situation arises which is not covered by these rules, it shall be dealt with and a decision will be given by the EJU Kata Commission.
