The Ranking:

The five best results during each 12 month period will count + one extra (6th) result from the Continental Championships or Masters.

In a case where the athlete starts in both events (Continental Championships and Masters) then the higher point score will count as the 6th result, and the lower point score may count for the five best results in the WRL.

- look back 12 months from today - five best + one results count 100%
- look back 13-24 months, from there - five best + one results count 50%

Due to the Covid situation the Continental Championships 2020 and 2021 are counted as a single one held on 2021, only the best result of the two is taken into consideration and expires as being held in 2021.

The points for each individual tournament will expire as follows:

- In the first 12 months after the tournament the points will count 100%
- After 12 months the points will be reduced to 50%
- After 24 months the points will be reduced to 0 and not accounted anymore

The dividing line is the following week (week number) in which the tournament was held.

Example: If tournament is held in week 17 of year Y, the points are reduced to half on the beginning of week 18 in the next year (Y-1) and expired in the beginning of week 18 in the year after (Y-2).

Beginning of the week is defined as Monday.

Exceptions:

- For the equal treatment of all Continents, the Continental Championships will be treated as they were held on week number 17 regardless of the week number that they are organized in. The points reduction/expiration will be done on Monday of week 18.

Due to the Covid situation only the best result of the Continental Championships held in 2020 and 2021 is taken into consideration. The competition are considered as being held in 2021.

A minimum of one contest must be won in order to get points for a tournament

Exception: In Grand Prix, Grand Slam, World Championships and Continental Championships points will be given for participation as well (starting 2013, before only WC).

Additional Rules:

In case of equality of total points, the higher ranking will be decided by:

- The highest sum of the current points from all World Championships.
- The highest sum of the current points from all Grand Prix, Grand Slams and Masters.
- The highest current points from one single event, then, if needed, the second highest, and so on.
- If the competitors are still equal the decision will be taken by the IJF EC in case of Olympic Qualification.

For more detailed explanation of the ranking, please refer to Sport and Organisation Rules - Section 3 - World Ranking List and IJF ranking events published in the IJF website (Sport documents page).

* In the marked event some countries participated under IJF flag or a different NOC Code
