Job Discription for coaching applicants

The main focus of this role is to coach the senior level of the club. Furthermore, to oversee the talent training of Juniors, Cadettes and children classes. Head Coach will supervise at all competitions domestically and Internationally. The Judo Club is going to put emphasys on growth in coming years as the municipality has grown substantially in the past years and the potential for attracting new members is good at the moment.

The Judo Club of Selfoss is currently looking for a head coach for all age groups. We currently have age groups divided into 4 seperate classes. The amount of trainigs per week also ranges from two times up to 5 times a week.

The first trainings start at 13:30 and thelast trainings of the day start at 18:00 and last for 1 ½ hour. At the moment we have 3 people that are prospects for the National Team of Iceland. They train at the senor level at 18:00.

We are looking for energetic coach that focuses on talent development at the competition level and at the amatour level. It is important to offer training for all levels of Judo and create an athmospere that is inviting to all.

Sincerely

Arnar Freyr Ólafsson
